

# City of Raleigh

Budget Note 32

## INTEROFFICE MEMORANDUM

June 20, 2011

**MEMO TO:** J. Russell Allen  
City Manager

**FROM:** Carl Dawson, Public Works Director

**SUBJECT:** Budget Note 32 – Public Works Position Reclassifications

The Streets Division requests the reclassification of five positions (# 2767, 2773, 2771, 5614, 2768) from Service Specialist (Class 4102; PG 26) to Equipment Operator II (Class 4012; PG 26) as part of the FY12 proposed budget. The department has incorporated the use of automated leaf collection equipment into their services; as such, in order to be eligible to operate the new equipment, the service specialists must be reclassified to equipment operator IIs.

No additional funding is required to support the proposed reclassifications and the Personnel Department has reviewed and approved the proposed reclassifications.
